Market YOUR Place at Marketplace

Everything is bigger in Texas...

BIGGER Business...BIGGER Opportunities...BIGGER Results

Marketplace is the premier show in the group travel industry because it is delegate-driven and designed to exceed your expectations. Added value and a greater business return make Marketplace the **MUST** attend show.

Networking allows you to make the most of your Marketplace week. With 16 all-delegate social and meal functions included in your registration, you will have more opportunities to network with decision makers than any other show in the industry.

This is your show - we listened to you and have included more all-exclusive events with your registration. For the first time ever we will have a continental breakfast for all Travel Industry members on the caucus morning sponsored by the Bus and Tour Operators at Marketplace. This continues to demonstrate the mutual respect and support of all delegates' time and investment at Marketplace - Buyers and Sellers alike.

Budgets are tight and you are wearing more than one hat - Marketplace is the show to make the most of your investment. ABA helps you become a part of the more than \$35 million in motorcoach group business that is generated during Marketplace week by offering:

- **Quality Appointments:** You can conduct a year's worth of pre-screened sales calls in one week.
- **Professional Education:** Professional Development, Industry Tools and Personal Development seminars help your delivery on-site as well as your career post-Marketplace.
- **Limitless Networking:** In addition to the formal business appointments, 16 all-delegate events allow you to

network with the decision makers in the industry.

- **Innovative Tools and Resources:** Marketplace tools make the work of Marketplace easier and the results unsurpassed.
- **Excellence in Customer Service:** As a first-time attendee, STAR delegate, or a veteran with questions, delegates are instructed and guided through the Marketplace week to make the most of their Marketplace experience.

Professional Education: CTIS

Differentiate yourself! Branding is one way to differentiate your business and products from the vast variety of opportunities in our industry. But much of our industry is the one-on-one business relationships that are developed between the operators and the suppliers. Branding yourself can make all of the difference in the success of your business and your career.

Marketplace seminars provide one critical part of the program. Educational seminars are held throughout the show with key speakers repeating seminars as well as 2 part seminar series for more advance material. We will also be introducing an Operator Track that will contain seminars, round tables and other operator resources.

It is not too late to enroll in the [2006 CTIS Program](#).
